

FWD-FWD JANUARY 2009 BUSINESS MEETING

13 Jan 2009

Meeting started 7:25pm

Minutes from previous meeting read and accepted.

Treasurer's report was read and accepted.

The TMTTC report announced the Semi-annual General Membership Meeting at Barnwell on January 31st. Please attend.

Tabled motions from last meeting: Membership in SWFWD and Blue Ribbon

Coalition. What are the benefits? Is it money well spent? Do they help us in Oklahoma? Our membership in Southwest has already expired. Blue Ribbon will expire later this year. The mood seems to be no more SWFWD and stay with Blue Ribbon.

New business: Implementing the bylaw changes. Chris now has a lifetime membership by being president for at least two years. Joe has a lifetime membership for being treasurer for at least five years.

We are going to have a raffle at the business meeting in March. (Or maybe February?) Please contribute to the raffle. The raffle money will be for drinks (non-alcoholic) at the meetings.

We are looking for the television to return to the club meeting place for our visual entertainment. Who's got it?

Some stories from trail rides over the Holidays.

The first planning get-together for Memorial Day will be on the 27th at Spring Creek Barbecue in Grapevine at 7pm.

Meeting was adjourned at 7:48pm.
